Please see the first sentence of para 5 of the f.o. dated 8.8.24 (flag D). The amount of Rs 22,000/- is for the relief of persons who have suffered from the floods and drought. In the present communication the R.C. reports that he allotted the amount to Kolar & Tumkur (drought) distress ~~etc~~ on account of ~~drought~~ relief - a thing not contemplated in the f.o. at all. This confusion is responsible for his asking for more funds in his letter dated 20.8.24.

He has however been instructed to keep the two funds separate and he has reported to the effect that it will be attended to.

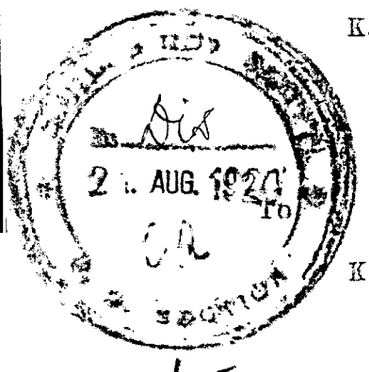
Revenue Commissioner in Mysore.



To

K.V. Anantaraman, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, B a n g a l o r e.

Sir,

Subject to the Rev sec'y-

Referring to correspondence ending with your letter No. D.111 dated 16th August 1924 inviting reference to Government Order No. D.105-108 dated 13th August 1924 sanctioning a sum of Rs.35,000/- for grant of Takavi and Land Improvement Loans in the Districts affected by drought, I have the honour to state that out of the allotment sanctioned by Government, a sum of Rs.22,000 was placed at the disposal of the Deputy Commissioner, Tumkur District, while the balance of Rs.13,000 was granted to the Deputy Commissioner of Kolar District for the purpose of issuing loans to ryots affected by drought in this office No. D.3 of 24-25 dated 15th August 1924. Again the sum of Rs.50,000 sanctioned by Government in their order No. R.1020-1228/R.M.3-24-54 dated 8th August 1924 has all been placed at the disposal of the Deputy Commissioners of Mysore, Hassan, Shimoga and Kadur and Chigaldrug Districts for granting loans to sufferers from floods as noted in the margin in this office memos No. D.3 of 24-25 dated 13th and 18th August 1924. The Deputy Commissioner of Kadur applied for a further allotment of Rs.5,000 and this was met from the reserve

held by this office. Applications for additional funds are expected particularly from the Deputy Commissioners of Mysore and Shimoga in view of the larger area on which damage was caused by floods.

The Deputy Commissioner of Kolar has also applied for a sum of Rs.25,000 for grant of Takavi loans: and the requirements of the Deputy Commissioner, Tumkur District, who wanted Rs.50,000/- for Takavi and Rs.10,000 for subsistence loans, have not been fully met with. The with-holding of timely rains in parts of these two Districts is causing anxiety: and sanction for the starting of relief works has already been sought for. There is a great demand for the grant of Takavi and subsistence loans in the affected parts.

The tension in the situation from which people in parts of these two Districts are suffering for the past two years, is continuing, as the rainfall in these unhappy parts for the last fortnight was quite insufficient: and the poorer people are already looking for relief works. The recent rainfall has greatly improved matters in portions of the Kolar District, but there are Taluks in both Districts, and particularly Maddagiri, Pavagada and portions of Gubbi that require careful attention and generous help.

In the circumstances and if the situation does not change for the better by two or three good showers within the next fortnight, we have to resort to a liberal grant of Takavi and subsistence loans in addition to the reopening of relief works in places where crops are withering so as to prevent starvation and its dire results: and in any case, some additional funds are urgently required for meeting the present requirements of the Deputy Commissioners.

I therefore request that Government may be pleased to sanction immediately a further sum of Rs.50,000 for the present for the grant of Takavi and subsistence loans in areas seriously affected by drought and floods.

I have the honour to be,
Sir,
Your most obedient servant,

K Chandy

Revenue Commissioner.
